

Senior Clinician | Supervising Clinician – Part or Full-time

A team of therapists that make a difference.

Family Service Center (FSC) is looking for an experienced *Licensed Clinical Social Worker, Licensed Clinical Professional Counselor, Licensed Marriage and Family Therapist, or Licensed Clinical Psychologist* to serve as a **Senior Clinician**. The right candidate will be an integral part of our collaborative mission-focused leadership team. The senior clinician will deliver evidence-based counseling, complete individual risk assessments, and will participate in community-based crisis support as needed. They will be energized by supervising clinical staff and playing a key role in the development of agency programming that serves to reach out into the community and educate and impact individuals, groups, and systems on mental health and emotional wellbeing.

Why FSC?

FSC prioritizes an affirming culture that supports wellbeing for our team members. We appreciate the importance of a balanced work schedule (i.e., a varied schedule that extends beyond weekly therapy sessions) as well as an optimal work-life balance. We recognize the impact that delivering thoughtful and effective clinical care can have on a clinician and we support our staff to avoid burnout and to promote health.

About FSC:

FSC is a growing not-for-profit community-based mental health agency in Northfield, Illinois. We serve clients of all ages in the surrounding communities with in-person and telehealth counseling sessions, currently in English, Spanish, and Mongolian. We offer services on a sliding scale, as well as accept many insurance providers to minimize barriers to access. We also serve our community through outreach and educational programs delivered in partnership with local schools and organizations, to many different groups including parents, educators, seniors and the community at large. We are working to expand our preventative and skill-building educational offerings. We believe everyone is deserving of emotional and mental wellbeing.

Position Highlights:

- Part-time or Full-time
- In-person and Telehealth
- Flexible schedule (some evenings and/or weekends required)

What You Will Need:

- Active clinical license to practice in the state of Illinois
- At least 10 years of licensed clinical experience
- Experience in providing outpatient mental health services to youth, adults, couples, families, and/or older adults
- Experience completing risk assessments
- Experience and interest in developing and/or delivering in-person, remote, and/or recorded presentations/educational workshops.

- Strong verbal and written communication; strong collaboration skills
- Preference given to bilingual candidates; those with EMDR certification; and/or experience working within an educational setting

What You Will Do:

- Deliver an average of 16 counseling sessions a week (based on full-time position, to be prorated for part-time senior clinician).
- Complete risk assessments for youth referred by partner schools.
- Collaboratively develop programming to support the mental health and wellness needs of our local communities.
- Create and deliver educational presentations and workshops within the communities served.
- Represent FSC at outreach events.
- Collaborate with agency personnel, supervisors, and community partners on case-related issues.
- Participate in agency professional development programs, professional group seminars, committees, or conferences to increase professional knowledge.
- Participate in the supervision and training of clinical staff.

Benefits (Full and Part Time)

- Some remote work and scheduling flexibility
